 Your Payment is Due by 04/21/2014  
 There's a drought. Help stretch EBMUD's supply by cutting your water use 10%.  
 Super-conscientious conservers need only check for leaks. See ebmud.com for latest news  
 and get tips to save your 10%. We guarantee that if mandatory rationing becomes necessary  
 your allocation will not be based on use during this voluntary cutback period.
