

PRELIMINARY ROSTER
CALIFORNIA WATER PLAN, UPDATE 2013
PLANNING TEAMS FOR REGIONAL FORUMS AND TOPIC-BASED CAUCUSES

NOTE: Update 2013 is designing new collaboration processes to help develop content for the Water Plan. Regional Forums will emphasize place-based dialog and Topic-base Caucuses will focus on subject matter discussions. The Forum and Caucus meetings, expected to occur on a quarterly basis, will be open to all. Forum and Caucus meetings will always be announced in the Water Plan eNews.

This document provides an initial roster of planning members for the Forums and Caucuses. The planning members will provide leadership in assisting with scope of work, agenda development, organization of work groups (as appropriate) and outreach.

This is a draft document – planning members and caucus groups will likely change as the process unfolds.
