This weekly electronic newsletter is designed to keep you current on California Water Plan news. We welcome comments, suggestions and any news tips that may be of interest to water planners.

All-Regions Forum update

The All-Regions Forum in San Jose will feature a session on Proposition 84 Guidelines and a session on the Governor's Urban Water Conservation Initiative on June 2. If you plan to attend the forum, please RSVP to David Sumi by [e-mail](#) or telephone him at (916) 341-3328. The latest (revised) Forum agenda is posted [here](#).

FloodSAFE Strategic Plan workshops announced

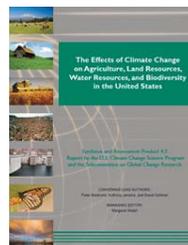

The Department of Water Resources will conduct a statewide series of eight workshops on the Draft FloodSAFE Strategic Plan, with additional topics discussed in Central Valley locations. Meeting dates and locations, agendas, and additional information are available [here](#).

Delta Vision Task Force meeting

The meeting materials for the next meeting of the Delta Vision Blue Ribbon Task Force are now posted to "[calendar](#)" and "[meeting materials](#)" pages on the Delta Vision website here. The Task Force will meet Wednesday, May 28 (10 a.m. - 5 p.m.), and Thursday, May 29 (9 a.m. - 2:30 p.m.), at the Holiday Inn Capitol Plaza, El Dorado Room, 300 J Street, Sacramento. In case you can't make it, the meeting will also be webcast and archived for later viewing [here](#).

New climate report foresees big changes

The rise in concentrations of carbon dioxide in the atmosphere from human activities is influencing climate patterns and vegetation across the United States and will significantly disrupt water supplies, agriculture, forestry and ecosystems for decades, says a new federal report. [Read more.](#)

Ag board wants to hear your vision of state's agriculture

The State Board of Food and Agriculture and the Department of Food and Agriculture are launching a series of "listening sessions" to allow the public to offer their visions of what California agricultural should be. This vision, according to an announcement, will affect everyone who produces, ships, processes, markets, eats, drinks or uses California agricultural products. [Read more.](#)
