This weekly electronic newsletter is designed to keep you current on California Water Plan news. We welcome comments, suggestions and any news tips that may be of interest to water planners.

### Foundation's Western Water Magazine focuses on the Water Plan

The May/June issue of [Western Water magazine](#), published by Water Education Foundation, examines the changed nature of the California Water Plan, some aspects of the 2009 update (including the recommendation for a water finance plan) and the reaction by certain stakeholders. The Water Education Foundation based in Sacramento is a resource for information about water resource issues.

### Workshop planned to discuss Drought Contingency Plan

DWR will hold a workshop Aug. 10 about a soon-to-be-released Draft Drought Contingency Plan. The workshop will be held in Sacramento at CalEPA, Klamath Training Room. An agenda and the draft report will be posted [here](#) on the Water Plan Calendar soon.

### Printed copies of Water Plan Highlights booklet available

The printed Highlights booklet of the California Water Plan Update 2009 are available and the planning staff at DWR is sending them out to Water Plan participants and those who requested copies. [Read more about ordering printed copies.](#)

### Planners seek comments and suggestions from July 7 Update 2013 workshop

A Workbook and other materials from the July 7 Public Workshop for California Water Plan Update 2013 is posted on the Water Plan website. [The Workbook is posted here.](#) And you can find [other key workshop documents here.](#) Staff would like you to review the Workbook and send in your responses to the questions found in it by July 30.

### Ag and urban water conservation (SBX7-7) sessions set this month

Two sessions on ag water conservation (SBX7-7) billed as "public listening sessions" will be held the last week of July. The first will be held in Fresno on July 27, the second will be held in Sacramento. [You can find details here.](#) An urban stakeholder committee will meet on July 28 in Sacramento; [details here.](#) Finally, on July 29, ag stakeholder committee will meet. [Details can be found here.](#)

### Delta Stewardship Council to meet tomorrow, Friday; interim plan on agenda

The Delta Stewardship Council will meet tomorrow, July 22, and Friday, July 23, at the Old Sugar Mill in Clarksburg. Thursday's meeting will include a tour of the Delta beginning at 9 a.m. in Sacramento. [The meeting agenda -- including tour details -- can be found here.](#) On Friday, the council will consider comments on the second draft of its interim Delta plan. Comments received by Aug. 3 will be considered at its Aug. 26-27 meeting. You can find the [Second Draft Interim Plan here.](#)
