### Water Plan names public advisors, sets first meeting

The Water Plan Update 2013 has named the members of its Public Advisory Committee. [You can find the list here](#). The first meeting of the committee will be held Tuesday, Nov. 9, in Sacramento at the Doubletree Hotel, with registration at 8:30 a.m. The meeting will run from 9 a.m. to 4 p.m. The meeting is open to the public. The morning agenda will include an overview of Water Plan Update 2013. The afternoon session will focus on regional and topic-specific options. [Find more details here](#). Please RSVP to [Ginny Sajac](#) or call her at (916) 653-7101.

### DWR official briefs international water conference on Update 2009

About 150 water resources experts attended the International Spanish Association for Sustainable Water Reuse Conference in Madrid, Spain, that wrapped up today. Kamyar Guivetchi, manager of DWR's Statewide Integrated Water Management, gave a talk on the California Water Plan Update 2009 and water management and climate change. [You can find a conference program here](#).

### DWR sets two water conservation meetings this week

DWR's will host a water conservation meeting on agricultural water measurement tomorrow, Oct. 21, in Sacramento to discuss AB 1404, which requires State water agencies to develop a coordinated water use and measurement database. [Find meeting details here](#). And on Friday, Oct. 22, the department will host a webinar of the Urban Stakeholder Committee as it discusses "Fourth Target Method (Project U4)" proposals. [Find meeting details here](#).

### Direct potable reuse report now available online

A new workshop report is available that identifies information gaps and existing barriers to developing direct potable reuse regulations in California. The 41-page report was prepared by the California Urban Water Agencies, National Water Research Institute, and WaterReuse Association California Section. [You can find the report here](#).

### Delta Stewardship Council to meet twice next week

The Delta Stewardship Council will meet Thursday and Friday, Oct. 28 and 29, in West Sacramento. Among the items on the agenda will be an update on the Bay Delta Conservation Plan. It will include a report from BDCP consultant, ARCADIS. [Read more](#).
