This weekly electronic newsletter is designed to keep you current on California Water Plan news. We welcome comments, suggestions and any news tips that may be of interest to water planners.

Round two of planning grant proposal solicitation is ready to roll

The round two of the Integrated Regional Water Management planning grant proposal solicitation has been activated and is ready to accept applications in the Bond Management System (BMS). Details on setting up a user account and submitting applications are available on the [BMS home page](#). Applications for this round are due March 9. Questions about the grant process can be [emailed](#) to DWR.

Time running out to apply for \$1.8 million in EPA urban water grants

Less than two weeks remain to submit proposals for grants under the U.S. Environmental Protection Agency's (EPA's) [Urban Waters](#) program. Up to \$1.8 million will be provided for projects that help restore urban waters by improving water quality and supporting community revitalization. The proposal deadline is Monday, Jan. 23. Details are available in this [news release](#).

Save the date for California's premier water recycling conference

California's premier conference on water recycling and desalination will be held March 25-27, in Sacramento. [The 2012 WaterReuse California Annual Conference](#) will focus on the design, management, operation and use of water recycling and desalination projects. Online [registration](#) is available. The conference [brochure](#) contains details and the schedule of events.

DSC begins series of hearings on Delta Plan draft EIR

Tonight marks the beginning of a series of hearings sponsored by the Delta Stewardship Council (DSC) to collect public comments on [Delta Plan Draft Program Environmental Impact Report](#) (EIR). Following tonight's hearing in San Diego, there will be four more over the next eight days in Pasadena, Ceres, Clarksburg and Willows. Hearing locations and other details are posted [here](#). The council is also accepting comments by [email](#). The submission deadline is Thursday, Feb. 2.

Free download available of Clean Water Team's 2012 calendar

A 2012 calendar from the State Water Resources Control Board's [Clean Water Team](#) is available for download. The calendar includes notations of water-related events and special days of interest. It can be downloaded [with](#) or [without](#) links to a variety of events and organizations.
