Webinar scheduled to review second draft of finance chapter for 2013 Water Plan

The Water Plan Finance Caucus will host a webinar on Tuesday, May 28, to review and refine the second draft of the Finance Planning Framework chapter of Update 2013. To attend this webinar, click [here](#). The agenda and materials for this meeting are posted [here](#).

DWR hosting regional workshops to develop strategic plan for future of IRWM

Join fellow IRWM practitioners and other stakeholders in a series of five regional interactive workshops to help shape the future of water management in California. These workshops, which will be free and open to the public, will occur in April and May 2013. Please click [here](#) to register. Register early; space is limited.

USBR holds first public Sacramento-San Joaquin Basin study meeting

The U.S. Bureau of Reclamation is holding the first public meeting for the Sacramento-San Joaquin Basin Study to evaluate and recommend adaptation strategies for California's Central Valley in response to climate change. This is a WebEx meeting scheduled on Thursday, May 30, 2013, 10 a.m. - 11 a.m. To log in, please go to <http://www.usbr.gov/mp/SSJBasinStudy/index.html>.

Save the date! CUWCC to host two retail water conservation pricing workshops

The California Urban Water Conservation Council, Association of California Water Agencies, DWR, and other agencies will host two all-day Retail Water Conservation Pricing workshops, June 19 at the West Sacramento Civic Center Galleria and June 26 at the Metropolitan Water District of Southern California, Los Angeles. Agenda and details are coming soon.

Report offers assessment of climate change in California, southwest

A new report offers a look at what climate change might mean for the health and well-being of people in one part of the country. [Assessment of Climate Changes in the Southwest United States](#) looks at an area of about 700,000 square miles, including California. It is a summary of the past, present and projected future of the region's climate. Details are available [here](#).
