Water Plan Progress Report on Update 2009

Prepared for:

*California Water Plan
Public Advisory Committee*

March 30, 2011

Purpose of Progress Report

- To evaluate the implementation of the recommendations in the 2009 Water Plan Update, and display the results in a report card format.
- Inform the recommendations of the next Water Plan Update.
- Fulfill requests from previous Water Plan stakeholders.

Format of Progress Report

- Stand-alone report, issued mid-cycle on implementation of the recommendations in the previous Water Plan Update.
- Provide course corrections for upcoming Update

First Progress Report

- We propose to create the initial framework for the Water Plan Progress Reports by summer 2012.
- Evaluate recommendations from the 2009 Update.
 - To what extent did they get implemented?
 - Was it effective if they were implemented?

Which Recommendations?

- From Highlights, page 12C.
- 13 Statements of intent / What and when.

1. Expand IRWM
2. Use Water More Efficiently
3. Expand Conjunctive Management
4. Protect Water Quality
5. Expand Environmental Stewardship
6. Practice Integrated Flood Management
7. Manage a Sustainable California Delta
8. Prepare Prevention, Response and Recovery Plans
9. Reduce Energy Consumption
10. Improve Data and Analysis
11. Invest in New Water Technology
12. Improve Tribal Water and Nat'l Resources
13. Ensure Equitable Distribution of Benefits

Format to be determined by Caucus

Statement of Intent	Basis for Grade			Notes for focusing recommendations		
	GRADE	Target/Desired Future Condition	Progress Accomplished	Responsible Agent	Barriers	Course Corrections/ Recommendations
1. Expand Integrated Regional Water Management		% of CA land covered by an IRWM Region				
		% of agencies within an area participating in Regional planning				
		Amount of conflict in the region				
		Full Regional self-sufficiency				

Grading schema, metrics are all to be determined by the Caucus

Questions for the Advisory Committee

- What kind of information would be helpful in pinpointing barriers and solutions?
- Who will populate this? Self-reported?
State agencies?
- Advice for the Progress Report Caucus.

Relationship to Sustainability Indicators

Progress Report/ Performance Measures

- How well is the state implementing the recommendations of the previous Water Plan Update?
- Example:

20 x 2020 is 30% complete.

Sustainability Indicators

- Are the recommendations of the Water Plans achieving a sustainable water future?
- Example:

WUE is relieving stress on the local water agencies.
