

North-Central Region

Topics that Need to be Part of the Conversation

- Identify regional issues, problems and opportunities, strategies
 - Goal: distill IRWM issues
 - Deliverable: narrative, introduction to regional write-up
- Land use – resource management
- Groundwater management
- Environmental Water needs
- Protection of Area of Origin
 - Water Rights
 - Watershed Management
- Mountain Counties:
 - Coordinate with Sierra Nevada Conservancy on FERC
 - Conjunctive Use Management

Who to Involve.

- Local government – elected and resource managers: RCDs (special districts)
- IRWMs
- Ag and urban water agencies
- Independent groundwater users
- NGOs – watershed
- Tribes
- State/Federal agencies: Water Boards, DPH
- Academics
- Business interests – homeowner associations, Chambers of Commerce
- Hydro-generation
- San Francisco Bay
 - Bay Area Clean Water Agencies
 - Bay Area Water Supply and Conservation Agency
 - Bay Area Stormwater Management Agencies Association
 - Water Reuse Association
 - California Urban Water Conservation Council
 - Association of Bay Area Governments
 - Bay Area Water Forum
 - San Francisco Bay Conservation and Development Commission
 - Toulumne River Trust
 - Save the Bay

North-Central Region

- Sacramento (V Newlin, E Gentry, B Wilson, J Murphy, H Savage)
 - Sacramento River Conservation Area Forum
 - Supervisor Nattoli
 - Goals and Objectives: public safety, economic sustainability, species and ecosystem protection, groundwater protection, public education & outreach
 - Scope: flood control, water supply, ag water supply, recycling, greywater use, groundwater management – evaluation for water quality and true species / ecosystem protection water supply, economics of power costs and other costs; incorporate conservation measures
