

CWP Update Plenary Meeting - October 22-23, 2007

The next meeting for the CWP Update 2009 program has been scheduled and will be at the DoubleTree Hotel in Sacramento. This will be the first CWP plenary meeting, bringing together all participants of Update 2009 - the Advisory Committee, Steering Committee, regional stakeholders, and SWAN analytical participants. The agenda will build on the work of the recent regional workshops and All-Region Forum.

The focus of the plenary meeting will include presentations and discussions on: 1) integrating Energy Requirements, Floodplain Management, and Climate Change into the CWP Update Resource Management Strategies; 2) discussion of statewide and regional issues relating to Integrated Regional Water Management, Floodplain Management, and Scenarios; 3) presentations on water sustainability, grants updates, and climate change. Day 2 will be dedicated to discussing how resource management strategies relate to each of the above themes. The meeting agenda will be posted and circulated soon.

If you plan to attend, please RSVP to Ginny Sajac at vsajac@water.ca.gov or 916-653-7101. The registration fee is \$ 20 per day (\$ 40 for 2 days) which includes lunch, and will be collected when you arrive (cash or check only). A block of DoubleTree Hotel rooms at the STATE ROOM RATE (\$84) has been set aside for October 22. To reserve your room, please call 916-929-8855 and ask for Reservations, let reservations know that you are with the "Water Plan." The State Rate rooms will only be available through October 8th. If you have any problems with room reservations, please contact Judie Talbot at jatalbot@juno.com or at 775-720-0214.

Water Program Poster Session opportunities – during the October 22-23 CWP Update Plenary meeting in Sacramento, space will be made available for water stakeholders to provide materials and poster information regarding programs, initiatives, and projects. Please contact Ginny Sajac at vsajac@water.ca.gov or 916-653-7101 if you are interested in presenting materials within a poster session format.
