# IRWM Grant Program Highlights

Recommendation of the 2005 CA Water Plan:  
*Promote and Practice Integrated Regional Water  
Management*

## The DWR IRWM Grant Program:

- Promotes and encourages integrated regional strategies for the management of water resources through local agency collaboration
- Provides assistance to local agencies developing IRWM Plans
- Ensures IRWM Plans are consistent with State Guidelines and Grant Proposal Solicitation Packages
- Funds projects submitted by IRWM planning regions
- Administers grants funded through Proposition 50, 84, and 1E

# What is an IRWM Plan?

Comprehensive water resource planning and management tool intended to:

- Encourage coordination of various regional stakeholders – water purveyors, wastewater agencies, flood control, NGOs, etc.
- Identify water resource issues and needs within the region
- Determine goals and objectives of water management for the region
- Develop solutions using the water management strategies identified in the CA Water plan
