

The California Department of Water Resources
and
The 2009 California Tribal Water Summit Planning Team

invite you to participate in the

Regional Tribal Water Plenary Meeting #2

for the Greater Mendocino, Lake, and Sonoma Counties Region

Tuesday, March 10, 2009
10 a.m. – 3 p.m.

Consolidated Tribal Health Project, Inc. Wellness Center
6991 North State Street
Redwood Valley, California
(707) 485-5115

Directions: From 101 take the West Road exit to North State Street. From the SOUTH, turn right at the exit stop sign, then turn right onto North State St. From the NORTH, turn left over the freeway at the exit stop sign, then turn right onto North State Street. From Highway 20, take 101 north to the West Road exit. The facility is next to Barra Vineyards.

*This is #2 of a Series of Regional Tribal Plenary meetings across California that will lay the foundation for the **California Tribal Water Summit to be held on August 26-27, 2009, in Sacramento.** The meeting will review the origins and timeline for preparing for the Summit. The morning is open to non-Tribal government agencies involved in water planning and management. The afternoon is specifically for Tribal community members and Tribal governments to discuss regional water policy issues that should be addressed at the statewide Summit.*
