

**TRADITIONAL ECOLOGICAL KNOWLEDGE**  
**TWS: APRIL 24, 3:30 PM – 5:00 PM**

**Session Goals and Purpose:**

- Demonstrate the ways TEK can be incorporated into planning
- Demonstrate ongoing projects where TEK has been successfully used in a collaborative project with state/fed.
- Describe the challenges associated with “walking in both worlds”

ITEM #	TIME	CONTENT	PRESENTER	Design Team Notes	Additional Comments
1	5 min.	Video Montage
