

CALIFORNIA DEPARTMENT OF WATER RESOURCES
WATER USE AND EFFICIENCY BRANCH

Notice of Final Funding Awards
2012 Agricultural Water Use Efficiency Proposal Solicitation
Agricultural Water Management Plan Preparation Proposals

January 23, 2013

In November 2012, the Department of Water Resources (DWR) received 54 proposals in response to the 2012 Proposition 50 Agricultural Water Use Efficiency Proposal Solicitation Package (PSP). Approximately \$23.9 million in grant funding was requested for proposed projects totaling over \$42.9 million. DWR has approximately \$15 million available for this solicitation. The 54 applications received include 14 proposals for implementation projects and 40 applications for non-implementation projects, of which 21 proposals for Research and Development/ Feasibilities/ Pilots/ Demos, 16 proposals for Training/ Education/ Outreach, and three Agricultural Water Management Plan (AWMP) Preparation proposals.

These final funding awards cover only those grant applications for the preparation of AWMPs. In order to encourage agricultural suppliers prepare their plans, the PSP allocated \$2 million for AWMP preparation proposals with a \$50,000 cap per plan. The three AWMP proposals received are requesting a total of \$150,000 in grant funding. All three proposals have been approved for funding as shown in the Table below.
