Re: Model Water Efficient Landscape Ordinance (MWELo)

Dear Mr. Eching:

The purpose of this letter is to inform you that the City of Brentwood did not adopt its own ordinance by January 1, 2010, and the City understands that the Department of Water Resources' MWELo has been automatically adopted by statute. Please note that the City will, at some point in the near future, be preparing an ordinance for adoption by the City Council. Once the ordinance is adopted as part of the Municipal Code, it will be forwarded to you. If you have any questions, please feel free to call me directly (925-516-5137) or to e-mail me (enolthenius@ci.brentwood.ca.us). Thank you very much.

Very truly yours,

Erik Nolthenius
