RE: Landscape Ordinance Notification

Mr. Eching:

Thank you for the reminder of the AB1881 notification requirements. The City of Citrus Heights has not adopted its own water efficient landscape ordinance at this time. The City is currently in the early stages of developing its own water efficient landscape ordinance, and we envision adopting that by the end of 2010.

In the interim, based on the requirements of AB1881, we will be utilizing the DWR Model Water Efficient Landscape Ordinance for all projects within the City. Once the City adopts its own water efficient landscape ordinance, we will submit the ordinance, findings, and evidence demonstrating our ordinance is at least as effective as the DWR ordinance.

Please review this information and let me know if you have any questions.

Sincerely,

Colleen McDuffee, AICP  
Planning Manager
