Water Use and Efficiency Branch
P.O. Box 942836
Sacramento, CA 94236-0001

Re: *City of Marysville Adoption of MWELO*

Dear Mr. Eching:

This letter is to notify the Department of Water Resources that the City of Chico has elected to take no independent action, thereby effectively adopting the State MWELO as provided in statute. Please contact me or David Lamon at (530) 749-3904 if you have any questions or require any additional information.

Sincerely,

Angela Spain
Assistant Planner
