**Re: Compliance with AB 1881 – (File No. 2010-002)**

Dear Mr. Eching:

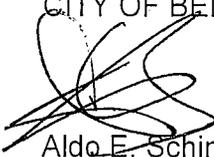

This letter shall serve as our official notification that the City of Bell Gardens has initiated the process to adopt Ordinance No. 832 establishing water efficient landscape requirements in accordance to the provisions established by AB 1881. Proposed Bell Gardens Ordinance No. 832 will be considered by the Planning Commission at their regular meeting of March 17, 2010 with final adoption by the City Council on April 26, 2010.

Upon final adoption, the City will provide your office with a copy of adopted Ordinance No. 832 containing findings and evidence that the Ordinance is at least as effective at conserving water as the State Department of Water and Resource's updated Model Water Efficient Landscape Ordinance (MWELO).

Should you have any questions regarding this matter, please do not hesitate to contact Carmen Morales or Hailes Soto at (562) 806-7700, extension 7724.

Sincerely,

CITY OF BELL GARDENS
