Subject: Landscape Ordinance

Dear Simon Eching,

City staff has received the letter from the Department of Water Resources dated January 26, 2010. The purpose of this email is to respond to the letter and present the status of Belvedere landscape requirements. The **City of Belvedere** has not adopted a local water efficient landscape ordinance per AB 1881. The model ordinance will be used until that time that the City adopts a water efficient landscape ordinance. City staff tentatively plan to present a local ordinance this summer.

Sincerely,

Pierce Macdonald
Planning Manager
