SUBJECT: Water Efficient Landscape Ordinance

Dear Mr. Eching:

This letter will confirm the City of Carson's adoption of a local Water Efficient Landscape Ordinance. However, given the timing of the October release of the Updated Model Water Efficient Landscape Ordinance (MWELo), which is serving as a baseline for our own regulations, the City of Carson's ordinance was not in place by January 1, 2010.

Therefore, this letter should serve as notice to the Department of Water Resources that the City of Carson has adopted the MWELo effective January 1, 2010 until such time as our local ordinance is completed by the end of 2010.

If you have any questions, please feel free to call me at **310-952-1700 extension 1317**, or email mcastill@carson.ca.us.

Sincerely,
