California Department of Water Resources  
Model Water Efficient Landscape Ordinance

Dear Mr. Eching,

This is in response to your letter of January 26, 2010, regarding landscape ordinance notification and documents.

The City of Coronado is implementing the provisions of California Department of Water Resources Model Water Efficient Landscape Ordinance, until such a time that the Coronado City Council adopts its own water efficient landscape ordinance.

Please contact John C. Swanson, Assistant Planner, in the City of Coronado Community Development Department at 619-522-2416, if you have any questions or need additional information.

Sincerely,

Rachel A. Hurst
