Re: Landscape Ordinance Notification and Documents

Dear Mr. Eching:

This is to advise you that the City of El Centro unfortunately was not aware of compliance requirements related to AB1881. However, we do want to thank the Department of Water Resources for their letter dated January 26 wherein we were made aware of the above referenced.

In order to comply with the requirements as set forth in AB 1881, the City acknowledges that we are now by statute subject to the States adopted Model Landscape Water Efficiency Ordinance. Please be advised that the City is now in the process of updating its landscape water efficiency ordinance, Section 29-142 of the City Code, to comply with AB 1881 guidelines.

If you have any questions regarding this matter, please do not hesitate to let us know.

Sincerely,

EL CENTRO DEPARTMENT OF PLANNING & ZONING
