RE: Updated Model Water Efficient Landscape Ordinance

Dear Mr. Eching:

Section 65597 of the Water Conservation in Landscaping Act states that each local agency shall notify the department by January 31, 2010, whether the local agency is subject to the department's updated model ordinance adopted pursuant to Section 65595.

This is to inform you that, as of January 1, 2010, the County of Glenn is subject to the department's Updated Model Water Efficient Landscape Ordinance. The County has not adopted a separate ordinance to implement the Water Conservation in Landscaping Act.

Please feel free to contact me if you have any questions.

Sincerely,

John Linhart, Director
Glenn County Planning & Public Works Agency
