Dr Mr. Eching,

The City of Lincoln received your letter dated January 26, 2010 requesting notification of the status of the City's water efficient landscape ordinance. The City of Lincoln has not adopted its own local water efficient landscape ordinance. The City understands that since it has not adopted its own ordinance, it must follow the Department of Water Resources' Model Water Efficient Landscape Ordinance (MWELo).

The City of Lincoln may adopt its own water efficient landscape ordinance in the future that is at least as effective as the MWELo. The City will notify DWR when this occurs.

Sincerely,

Steven Palmer
Interim City Engineer
