**RE: Notification of Status of Water Efficient Landscaping Ordinance for the
City of Pittsburg**

Dear Mr. Eching:

This letter serves as notification, pursuant to Government Code section 65597, of the city of Pittsburg's current status in implementing the water-efficient landscaping standards recently prepared by the state Department of Water Resources.

The city of Pittsburg has chosen to cooperate with its neighboring jurisdictions to develop a local water efficient landscaping ordinance. That effort is currently underway and has an anticipated adoption date in late spring of this year. In the meantime, the city of Pittsburg will utilize the state's model ordinance.

Please contact me by email at dhoggatt@ci.pittsburg.ca.us, or by telephone at the number in the header of this letter, if you have any questions.

Sincerely,

Dana Hoggatt
Planning Manager
