**To:** 'mweo@water.ca.gov'  
**Subject:** Please provide me a copy of the draft ordinance

According to the website the draft was released on February 9th...I've been logging on since January 1 to obtain a copy of this ordinance. I am being required to review our local ordinance to make sure it is in compliance with your ordinance and would appreciate a copy as soon as it is available.  
Thank you.
