Hi Judith

I am just curious, do you know how many people actually attended yesterday's hearing?

Thanks  
Pam

Thank you for the inquiry on the Model Water Efficient Landscape Ordinance.

Both of the public hearings are scheduled accordingly:

- March 25 (Sacramento) 9:00 AM – 5:00 PM
- March 27 (Chino) 9:00 AM – 5:00 PM

We expect to break for lunch at 12:00 PM and resume each public hearing promptly at 1:00 PM until 5:00 PM.

Speakers will be required to sign an attendance sheet and oral testimonies will be presented based on the order of speakers listed in the attendance sheet.

Thanks.  
JUDY COLVIN

I could have missed it, but how long will the hearing be? I know it begins at 9:00 - is there a break for lunch and then a continuation in the afternoon?

Thanks
