Subject: [MWE0] Model Water Efficient Landscape Ordinance Comments on FinalDraft

Dear Ms. Colvin

I am writing to express my support of the Department of Water Resources (DWR) plan to amend the Model Water Efficient Landscape Ordinance (MO).

Many citizens are looking forward to the opportunity of working with our state in reducing our water usage. It's an interesting challenge. Help us to help you! I am convinced we can reduce our usage by at least 20%.

Tell us what to do!

Sincerely,

Maxine Clark
