

# Model Water Efficient Landscape Ordinance – Workshops for Local Agencies

<http://www.water.ca.gov/wateruseefficiency/landscapeordinance>

Target Audience: Land Use Agencies and Water Suppliers that assist local agencies enforcing landscape regulations

- Planning officials
- Building officials
- Public Works
- Consultants

Workshop objectives:

1. Familiarize local officials with recent updates to the MWELO.
2. DWR staff will answer your questions regarding the MWELO and local implementation

**Open to all local agencies-no charge-no registration required**
