

Dear Julie Saare-Edmonds and Vicki Lake,

Thank you for the opportunity to provide comments to the proposed Model Water Efficient Landscape Ordinance, Title 23 update.

The California Building Standards Commission (CBSC) supports DWR's efforts to adopt regulations pertaining to the reduction of potable water use for exterior landscape irrigation.

Attached are CBSC's comments to the draft MWELO update.

If you have any questions, please feel free to call me at 916-263-5159.

Regards,
