

## U3 Urban Technical Methodologies

### **SBx 7-7 Legislation**

10608.20(h)(1) and (2) DWR through a public process and in consultation with CUWCC shall develop technical methodologies and criteria for baseline daily per capita use, baseline commercial, industrial, and institutional water use, compliance daily per capita water use, gross water use, service area population, indoor residential water use and landscaped area water use and post on its website.

**Timeline** - October 1, 2010 Methodologies will be finalized and posted to the website.

### **Project Materials**

**The Urban Stakeholders Committee** will review technical material and documents, provide comments, data, and supporting information to DWR as these methodologies are developed.
