

# Oroville Recreation Closures

**Reopening Top of Oroville Dam**

DWR will reopen public access to the top of the dam, Oroville Dam Crest Road on Saturday, June 29 for pedestrians and bicyclists.

The public will have access to the pedestrian lane on the lakeside of Dam Crest Road from 5 a.m. to 11 p.m., seven days a week, as well as parking at the Upper Overlook. For safety considerations, the public will not be able to drive across the top of the dam.

The Dan Beebe and Bidwell Canyon Trails will be completely reopened for the public. These trails have been partially closed west of the Visitors Center since February 2017.
