

NOTICE TO STATE WATER PROJECT CONTRACTORS

NUMBER: 05-12

DATE: DEC 14 2005

SUBJECT: 2006 State Water Project
Allocation Increase

FROM:

DEPUTY DIRECTOR, DEPARTMENT OF WATER RESOURCES

The Department of Water Resources (DWR) is increasing the allocation of 2006 State Water Project (SWP) water for long-term contractors from 2.27 million acre-feet (MAF) to 2.68 MAF. Based on recent water precipitation and current water supply conditions, SWP supplies are projected to meet 65 percent of most SWP contractors' 2006 Table A amounts, which total 4.13 MAF. Attached is the revised 2006 SWP allocation table.

DWR's new approval considered several factors, including existing storage in SWP conservation reservoirs, SWP operational constraints, and 2006 contractor demands. DWR will revise allocations as the year's hydrologic and water conditions develop.

If you have any questions, please contact Dan Flory, Chief of DWR's State Water Project Analysis Office, at (916) 653-4313, or you may call Dave Paulson of his staff at (916) 653-9593.
